Change in Booking Norms

Dear Member,

Many members have voiced their displeasure regarding non-availability of rooms during the non-season period, as most of the rooms were booked for accommodation by Temporary Members. After deliberations, the below mentioned changes have been made to the existing booking system: -

- 1. Members can book rooms for self, three months in advance of their arrival date.**
- 2. Members can book rooms for their accompanied Temporary Members only two months in advance of their arrival date.**
- 3. Members can book rooms for their unaccompanied Temporary Members only one month in advance of their arrival date.**

Note:- It is clarified that where a booking has been made (under 2 above) by a Member along with accompanied Temporary Members, should the Member subsequently cancel the booking for himself / herself, the concurrent bookings made for the Temporary Members will also stand cancelled.

The proposed changes in booking will be reviewed a year later to gauge the impact of the same.

As regards the system for Season Bookings and Group Bookings, no changes are proposed presently.

All are requested to take note of the above proposed changes.

Best regards,

Nipa Ladiwala
